Dear Bud:

Thank you for your letter of May 12, and I, too, look forward to a nice talk with you.

I will be glad to look into the matter of Dr. Vladimir Mash, and his family, all of whom wish to immigrate to Israel from Russia. If there is any particular information I may need in this respect, please forward such to me. I will do my best for them.

Looking forward to seeing you again soon.

Kind regards,

Henry A. Kissinger
